HUMAN RIGHTS QUESTIONS

General comments of the Human Rights Committee

Note by the Secretary-General

The Human Rights Committee was expected to adopt at its forty-first session, held from 25 March to 12 April 1991, additional general comments relating to articles 7 and 10 of the International Covenant on Civil and Political Rights, which were to be considered by the Council at its first regular session of 1991. Owing to the complexity of the issues, however, the Committee was not able to complete its work on those general comments. It is anticipated that the general comments will be adopted at one of the Committee's forthcoming sessions in 1991 for consideration by the Council at its first regular session of 1992.
